Bath

“In Christ we flourish”

Catch-Up Funding at St Gregory's 2017-2018

The literacy and numeracy catch-up premium gives state-funded schools, including special schools and alternative provision settings, additional funding to support Year 7 students who did not achieve 'the expected standard' in reading or maths at the end of Key Stage 2.

Throughout 2017-18, 18 students were supported in numeracy and 11 through literacy. Students were seen once a week and structured programmes were followed. These were led by Learning Support Assistants.

The costs were:

- Materials - £90
- Staffing - £8,690

Progress

In Literacy all the students made the progress expected with one student making more progress than expected.

In Numeracy all students made progress expected with one student leaving during the course of the intervention.

Mr McDermott
Director of Pastoral Care
