

The Scholarship Programme 2019

A partnership between Bath City Businesses and Sixth Form Students to support excellence at A level

An exciting opportunity

It is with great excitement that we launch the first ever New Sixth Scholarship Programme.

We invite students from Year 12 and Year 13 to apply for one of the scholarships listed below.

Each scholarship carries a £500 award that students can put towards enhancing their sixth form experience and opportunities.

An open application can be made for consideration against any of the scholarship offers, or you can specifically apply for the one you feel most fits with your gifts, skills and ambitions.

The application process

Applications are open from Friday 27 September and close Friday 11 October at 4pm (please note, any applications received after this point will not be considered)

To apply you need to write a letter of application explaining why you deserve to receive the scholarship and how you intend to use the financial award to support your education. Applications should be no more than one side of A4.

Please submit applications FAO of Miss Butler either electronically to butlerl@st-gregorys.org.uk or as a hard copy handed to Mrs Nokes in the LRC.

The interview process

If your application is successful you will be invited to attend the scholarship interview day on Friday 25 October.

A final programme will be shared with you the Monday before but the day will consist of a group interview/activity, a formal interview with the Headteacher and an informal interview with a representative from the sponsoring business.

Applicants that secure a scholarship will be informed the week beginning Monday 4 November

Our Sponsors

We would like to offer our sincere thanks to our generous sponsors who have recognised the wealth of talent and potential our sixth form boasts and wish to offer their time and expertise to best facilitate our students to thrive throughout their A level journey.
