Statement of intent

Educational achievement and subsequent life chances for Looked After Children (LAC) and previously-LAC are of real concern. Students who are looked after require special treatment and additional attention in order to improve their situation.

St Gregory's endeavours to provide positive experiences and offer stability, safety and individual care and attention for all our students. With this in mind, we aim to:

- encourage students to reach their potential and to make good progress in relation to their professional, social and emotional development.
- ensure that students enjoy high quality teaching and a curriculum which meets their needs and the requirements of legislation.
- plan support for LAC realistically and use the school's resources efficiently to ensure the school meets their needs.
- promote a positive culture in all aspects of school life.
- help students develop their cultural, moral and social understanding.

All members of staff, in conjunction with the authorities, (Governing Body and LA) have a responsibility to ensure that every student is safe both in and beyond school.

"As a Catholic school, our inspiration is Jesus Christ. We therefore promote the dignity and well-being of every child and ensure that they flourish with us in a safe, happy and enriching environment. We believe that everyone is gifted and called by God to fulfil some definite service for the greater good of society. We will help our students to discover their vocation in life, to achieve their full potential and to use their gifts for the greater glory of God."

It follows that students who are looked after are among the most vulnerable students in the school. They may be the 'poorest of the poor' emotionally and therefore require more support and nurturing than those who are not looked after.

- 7.2. All staff will be trained to recognise signs and indicators of safeguarding concerns and will ensure that extra vigilance is practiced in observing and identifying these indicators amongst LAC and previously LAC as soon as possible.
- 7.3. Where a LAC or previously LAC has a social worker, this will inform decisions about safeguarding, e.g. responding to unauthorised absence or missing education where there are known safeguarding risks.

8. Student mental health

- 8.1. LAC and previously LAC are more likely to experience the challenge of social, emotional and mental health issues which can impact their behaviour and education. Designated teachers will have awareness, training and skills regarding a child's needs and how to support them in relation to behaviour management and mental health.
- 8.2. The designated teacher will work with the VSH to ensure the school is able to identify signs of potential mental health issues, understand the impact issues can have on LAC and previously LAC, and knows how to access further assessment and support, where necessary.

- 9.2. The school will have regard to the DfE's statutory guidance, 'Exclusions from maintained schools, academies and student referral units in England', and as far as possible avoid excluding any LAC.
- 9.3. Where the school has concerns about a child's behaviour, the VSH will be informed at the earliest opportunity.

- 9.4. Exclusion will only be used as a last resort, after the school and VSH have considered what additional support can be provided to prevent exclusion, and any additional arrangements to support the student's education in the event of exclusion.
- 9.5. The school will inform parents that they can seek the advice of the VSH on strategies to support their child to avoid exclusion.

10. Students with SEND

- 10.1. Support for LAC with SEND who do not need an EHC plan will be covered as part of the child's PEP and care plan reviews.
