We will make every effort to ensure that your visit runs smoothly.

The safeguarding of all our students is central to our mission and educational purpose. Accordingly, please be advised that:

- Visitors are asked for evidence of identity;
- Unless we have previously verified your DBS status, we cannot allow you unsupervised access to the school site. A member of staff will therefore accompany you at all times;
- Any information about our students or staff must be treated as confidential and must not be shared with third parties;
- Any information you share with our students, or presentations or performances, must not in any way undermine our Gospel values and British values (please turn over for a quick reminder of those values).

When signing in at Reception, please also sign below to indicate you have read and understood this note and, where appropriate, our Code of Conduct form for contractors working on site.

We really appreciate your co-operation in ensuring that all our students are safe and secure.

Please note that you can find our Privacy Notice for Visitors on the school website (www.st-gregorys.org.uk).

I have read and understood this advice to visitors and will adhere to the required safeguarding arrangements within this school.
