Dear Year 13 Students,

Please be advised that, if you would like the opportunity to take your A level exam to improve the result from your centre assessed grades, you must email resultsdaysupport@st-gregorys.org.uk stating the subject you wish to be entered for by 9am Friday 4 September.

Exams will be from 5 October to 9 November. Confirmed dates for specific exams will be shared once you have registered via the email address above.

If you are unsure, it is best to be entered and withdraw at a later date as we will not be able to enter you after the 4 September.

Yours sincerely,
