

Saint GREGORY'S  
Bath

# PTFA News

It's bold to state that the Saint Gregory's Parent Teacher and Friends Association is about hopes and aspirations as well as cakes and coffee mornings. But it is. It's about the investment of a small amount of time, expertise or money meaning the whole community can reap the dividends. We have ambitious plans for the future and we genuinely believe that a strong parent support body is the best possible way for Saint Gregory's to support your child's education. An exhaustive list of the nice-to-have lovely **EXTRA** things sits on the laptop of every Head of Department. The truth is that the current climate in education simply doesn't allow for extravagances — **BUT** the PTFA does allow a bit of wriggle room for those **lovely-to-have** extras. It means Ms Cusack can say 'let's see if the PTFA can fund it'. The PTFA loves to be able to say yes to such requests.

*The PTFA needs you to consider volunteering your time, your skills or your money to our shared cause.*

*The great news is that you are already a member of the Saint Gregory's PTFA!*

### Remember

Other parents are likely to face some of the same challenges as you on your parenting journey and this could be your chance to connect with them.

## *Launching the 40th Anniversary Project*

Performing arts is such a huge part of Saint Gregory's and it has been a long-held desire to create a theatre space at school that can truly represent the exceptional talents and skills of students.

As part of this year's 40<sup>th</sup> Anniversary Celebrations, the school will be launching 'The Gateway Theatre Project' with the aim of raising sufficient funds to enable the construction of a new purpose-built performing arts centre. The PTFA have committed to supporting this project and will be working with the school to help raise the funds for this amazing facility.

### Surprising benefits of volunteering

- ★ a sense of well-being and achievement as you make a positive difference to a community that matters;
- ★ belonging to and working as part of a team;
- ★ meeting new people and networking both personally and professionally;
- ★ learning some new skills;
- ★ challenging yourself and having fun;
- ★ increasing your confidence.

### Business Sponsors

We're keen to develop mutually beneficial partnerships with local businesses. This could be in the form of:

- ★ **TIME** – some companies offer charitable schemes donating their employees for projects;
- ★ **FINANCIAL** – some companies will donate for specific projects to enhance school communities or facilities;
- ★ **GOODS & SERVICES** – many businesses will donate to raffles and auctions helping us to raise funds through events.

If you are a business, or you know of a business that may help, please get in touch. We would love to fill this newsletter with the Saint Gregory's PTFA official sponsors' logos and thank them publicly for their support of our school.

# How you can help...

Support for  
the PTFA can  
come in many  
forms.

You can activate your membership by:

## Join in any of our PTFA meetings

Our meetings are held on average about once a term on a Tuesday evening from 6–7. Everyone is welcome, all we ask is that you let us know if you intend to join us so that we can make sure we have enough cups, saucers or wine glasses to go around!  
[ptfa@st-gregorys.org.uk](mailto:ptfa@st-gregorys.org.uk)

## Donate your time

We are always on the look-out for a helping pair of hands to help out at fundraising events. It's not all tea, coffee, cake and wine! Sometimes it's about sharing your journey with new families, welcoming prospective parents and carers to our community or simply offering your skills as a professional so that we and the school can benefit from your knowledge and expertise.  
[ptfa@st-gregorys.org.uk](mailto:ptfa@st-gregorys.org.uk)

## Donate your money

We understand that, for some parents and carers, they would rather give a one-off donation or monthly donation to the PTFA. We are working towards a new scheme to facilitate donations easily.  
[ptfa@st-gregorys.org.uk](mailto:ptfa@st-gregorys.org.uk)

If just **one** member of **every** family in the school volunteered **just once a year** then we would have a tremendous resource available to call on from time to time to improve the educational experience of **ALL** our children and actively benefit everyone in this **COMMUNITY**.

## Sign up to Easy Fundraising

[www.easyfundraising.org.uk/causes/stgregptfabath](http://www.easyfundraising.org.uk/causes/stgregptfabath)

It's basically **FREE MONEY!** If you normally shop in Sainsbury's for your weekly food, why not consider going online to order? You get your groceries delivered to your door and could raise up to 50p per order – that's a whopping £26 per year! Consider if only half of our families did this, that would amount to £7,800 per year. If every family committed to it, we'd raise £15,600 for **FREE!**

You **Shop**.  
Retailers **Donate**.  
We **Raise**.
