

Saint GREGORY'S  
Bath

*“In Christ we flourish”*

June 2023

Dear Parents and Carers

**Does your child have any special dietary needs?**

If NO, then you don't need to read this letter or do anything else.

If YES, then please read this letter and fill in and return the Google Form.

Food allergies, intolerances and other dietary-related medical conditions are a growing concern for schools. Children who are affected can suffer a severe or even fatal reaction if they eat or come into contact with food they're allergic to.

So please:

**1. Fill in the Google Form** as accurately as you can, describing any:

- Food allergies (for example to cow's milk)
- Food intolerances (for example to gluten)
- Other dietary-related medical conditions (for example coeliac disease)

Please don't use the form to describe your child's food likes and dislikes.

**2. Complete the [Google Form](#)** at least three weeks before the start of the new term/academic year.

Once we get this information, we will share it with our catering partner Sodexo Ltd, so they can make sure your child gets alternative meals that are safe for them.

**If your child's condition changes after you send us the form, you need to tell the school as soon as possible.**

If you have any questions, please contact the school.

Thanks for taking the time to read this letter and filling in the Google Form. Together, we can provide a really safe school environment for your child.

Yours faithfully

Ms Cusack  
Headteacher
