

## Newsletter # 12

Week ending 2 July 2021

With a blink of an eye we are nearly halfway through Term 6! In the week of International Women in Engineering Day we welcomed Bath Rugby and Dyson Engineering into school. Some of our Year 9 students participated in their TRY Engineering sessions which centred around rugby and engineering. It was great to see the girls taking apart Dyson vacuum cleaners with screwdrivers and then putting them back together again – not an easy task!

In Tutor Time we are focussing on Money and all year groups will be having the opportunity to explore budgeting, as well as looking at potential scams and to consider how best to make money work for them.

As we move towards the end of the school year, plans are afoot to review and improve our programme for next year. Please get in touch if you would like to make any comments or if you could help us in some way, such as by coming in to talk to the students about your career, or helping us with Work Experience placements.

Mrs Parker and Mrs Ruck

## LOCAL COLLEGES:

Please look at the following websites for information:

<https://www.bathcollege.ac.uk/event/virtual-open-event/>

<https://www.wiltshire.ac.uk/the-college/our-courses>

<https://virtual-events.stbrn.ac.uk/feb-online-open-evening-1>

<https://www.cityofbristol.ac.uk/events/open-event-26-june/>

## BRISTOL UNIVERSITY OPPORTUNITIES:

Bristol University has made available Virtual Resources that can be used by students in Years 10-13 to help their studies and career choices. Here is the link to gain access, and to sign up for Taster Days and Events:
