Welcome

Dear Prospective Applicant

Thank you for your enquiry regarding the post of **Teacher of Design Technology** at Saint Gregory's, starting **September 2021**. This is a new and exciting role that reflects the development and popularity of this emerging curriculum area within our school.

Design Technology was introduced to new Year 7 students joining Saint Gregory's in 2019 and has firmly established itself as part of our extended curriculum offer. It sits at the heart of our outstanding Art & Technology faculty, with a proven track record of raising achievement across all Key Stages. The successful candidate will be a specialist in either Product Design or Graphic Products, with the ability to teach students across both subject areas.

Saint Gregory's is an over-subscribed high achieving school with a national reputation for excellence. Our most recent Ofsted and Diocesan inspections judged us to be outstanding in every area and we are committed to maintaining and developing that high standard.

At Saint Gregory's we inspire and encourage our students to fulfil their potential and flourish. We are recruiting for an ambitious, outstanding teacher who has a commitment to academic excellence and who will inspire our students to reach their potential. If you are successful you will be joining an established and highly skilled team. This is a permanent, part time 0.6 FTE contract and will involve teaching Design Technology to mixed ability groups, initially at Key Stage 3, with the potential to develop an examination offer in the future.

As a Catholic school we provide our students with a moral compass based on Catholic Social Teaching that supports their growth and development. It is essential that our students are encouraged to have enquiring minds, ask questions and form their own opinions. The pastoral care at Saint Gregory's ensures that our students grow into well-rounded, reflective, caring and thoughtful young people, ready to take their place in society.

We are an inclusive school that places the student at the heart of everything we do. As a Catholic school our values are explicitly Christian, however you do not have to be of the Catholic faith to apply for this post.

There is a warm, welcoming family atmosphere at Saint Gregory's that underpins our culture as a school. Teamwork is at the heart of everything we do and by working together we aim to provide the very best opportunities for all our students and staff.

If you possess the necessary skills and experience and would like to apply for this post, please submit your application by midnight on **Sunday 14 March 2021**. Interviews will be held week commencing 22 March 2021. If you have any further questions please do not hesitate to contact Mrs Joanna Bowden, Head of Art & Technology, by email at bowdenj@st-gregorys.org.uk.

Yours faithfully

Ms A Cusack
Headteacher

Mission Statement

“As a Catholic school, our inspiration is Jesus Christ. We therefore promote the dignity and well-being of every child and ensure that they flourish with us in a safe, happy and enriching environment.

We believe that everyone is gifted and called by God to fulfil some definite service for the greater good of society. We will help our students to discover their vocation in life, to achieve their full potential and to use their gifts for the greater glory of God.”

Mission Statement, approved by the Governing Body

The successful candidate will be a specialist in either Product Design or Graphic Products, with the ability to teach students across both subjects, initially at Key Stage 3, with the potential to develop an examination offer in future.

Saint Gregory's is a popular 11-18 co-educational school, founded on Catholic Christian values and with a strong family and community ethos. These values are the foundation of learning for our students, providing them with an academic start to life that is supportive, nurturing and inspiring. Saint Gregory's has a well-deserved reputation for academic excellence, outstanding pastoral care and an excellent enrichment programme.

Our most recent Ofsted and Diocesan inspections judged us to be outstanding in every area and we are committed to maintaining and developing that high standard.

The successful candidate will be an inspirational teacher who will maintain and enhance our very high academic standards. The faculty benefits from experienced, supportive leadership and applications are welcomed from exceptional and aspiring teachers seeking an outstanding school in which to continue their career.

Candidates must be able to demonstrate:

- A track record of exceptional Design Technology teaching
- Capable of teaching across the Key Stages
- Outstanding subject knowledge
- The ability to inspire excellence in students
- Enthusiasm and motivation for exemplary teaching and learning

In return the successful candidate can expect:

- A comprehensive Induction Programme
- Outstanding professional support at every stage of your career
- A strong Continuing Professional Development programme to develop you as an outstanding teacher
- A supportive Senior Leadership Team
- Opportunities to work in a dynamic and supportive faculty with excellent facilities
- Access to the Teachers' Pension Scheme
- A positive student body who love learning

For an open conversation about the role, please contact Mrs Joanna Bowden, Head of Art & Design, by email at bowdenj@st-gregorys.org.uk.

“Saint Gregory’s is simply the best school in every possible way. My children have gone from strength to strength due to excellent teaching and pastoral care. They are confident, capable, well-rounded and above all, happy.”

About Saint Gregory's

Saint Gregory's is a Catholic voluntary aided secondary school which was established by the Diocese of Clifton. It primarily serves designated Catholic parishes in Bath and North East Somerset, North West Wiltshire and the north of the County of Somerset and admits students of 11-18 years. We are a popular co-educational school, founded on Catholic Christian values and with a strong family and community ethos. These values envelop the learning of our students, providing them with an academic start to life that is supportive, nurturing and inspiring. Saint Gregory's has a well-deserved reputation for academic excellence, outstanding pastoral care and an excellent enrichment programme.

In 2019 we were recognised once again as an 'Outstanding' secondary school in our Section 48 Diocesan Inspection, highlighting our school as a flourishing educational community where every child is valued and encouraged to grow as individuals.

Our GCSE and A Level results are excellent and not just in raw terms but also in the context of value-added. Such measures seek to identify the progress that every child makes during his or her time with us and show that our students make outstanding progress.

The achievement of our students consistently places our school as one of the top achieving state schools in the country. Students leaving Saint Gregory's progress to some of the very best academic institutions including Oxford, Cambridge and the Russell Group but, more than this, they leave having acquired the academic success, confidence and skills they need to continue their educational or career journey of choice.

We are located at the southern gateway to the World Heritage City of Bath with beautiful views towards the Severn Estuary and over Bath. Access to the school is easy as it is on main bus routes and next to the Odd Down Bath Park and Ride terminus.

The World Heritage City of Bath itself needs little introduction. Over four million tourists a year come to visit its many attractions, such as its Georgian architecture, its festivals, theatres, museums, restaurants and shops. It boasts excellent schools, rugby and football teams and Olympic standard training facilities at the University of Bath.

In 2017 Bath was named as the safest place to live in the UK. It is also a regular feature of the Sunday Times and Telegraph lists for best places to live in the UK, offering a very high quality of life. In 2018, it was named as the best UK city to raise a family by Money Supermarket.

Bath is served by many attractive towns and villages, and our staff and students come from diverse locations.

The Art & Technology Faculty

In the Art and Technology Faculty we offer a breadth of subjects which give students a range of creative and more practical subjects. The faculty teaches students in mixed ability groups and helps students to further discover their gifts and talents, becoming more fully rounded and well-developed individuals. The subjects offered within the faculty can all pave the way to future careers, as well as teaching essential life skills such as in Food Technology. Our faculty enables students to thrive and adds more creative possibilities to their futures.

Art and Design

Art and Design is taught from Year 7 - 9 in full class sizes throughout the whole school year. Students cover a wide range of different projects including: Key foundational Art skills in Year 7; Art from other cultures in Year 8; Pop Art and Expressionism in Year 9. Students in every year have the chance to use a broad range of materials and processes, ranging from painting and printing to clay work and 3D papier-mâché.

Fine Art

Fine Art is taught at both GCSE and A Level in mixed ability groups of varying sizes. These courses encourage students to follow personalised projects whilst experimenting with various materials, techniques, and processes. Drawing and painting are foundational practices for these courses, however, sculpture, printmaking and photography is actively encouraged. Students relate their work to the work of other artists and consequently develop their appreciation for the history of Art. Students complete coursework projects (60%) as well as doing a final practical exam (40%).

Photography

Photography is taught as a GCSE subject in mixed ability groups of varying sizes. A highly popular course, students learn key skills and techniques in taking effective photography as well as learning about the history and development of the subject. Looking at and learning from the work of other photographers is a key component of the course and students follow a series of projects (60%) as well as doing a final practical exam (40%).

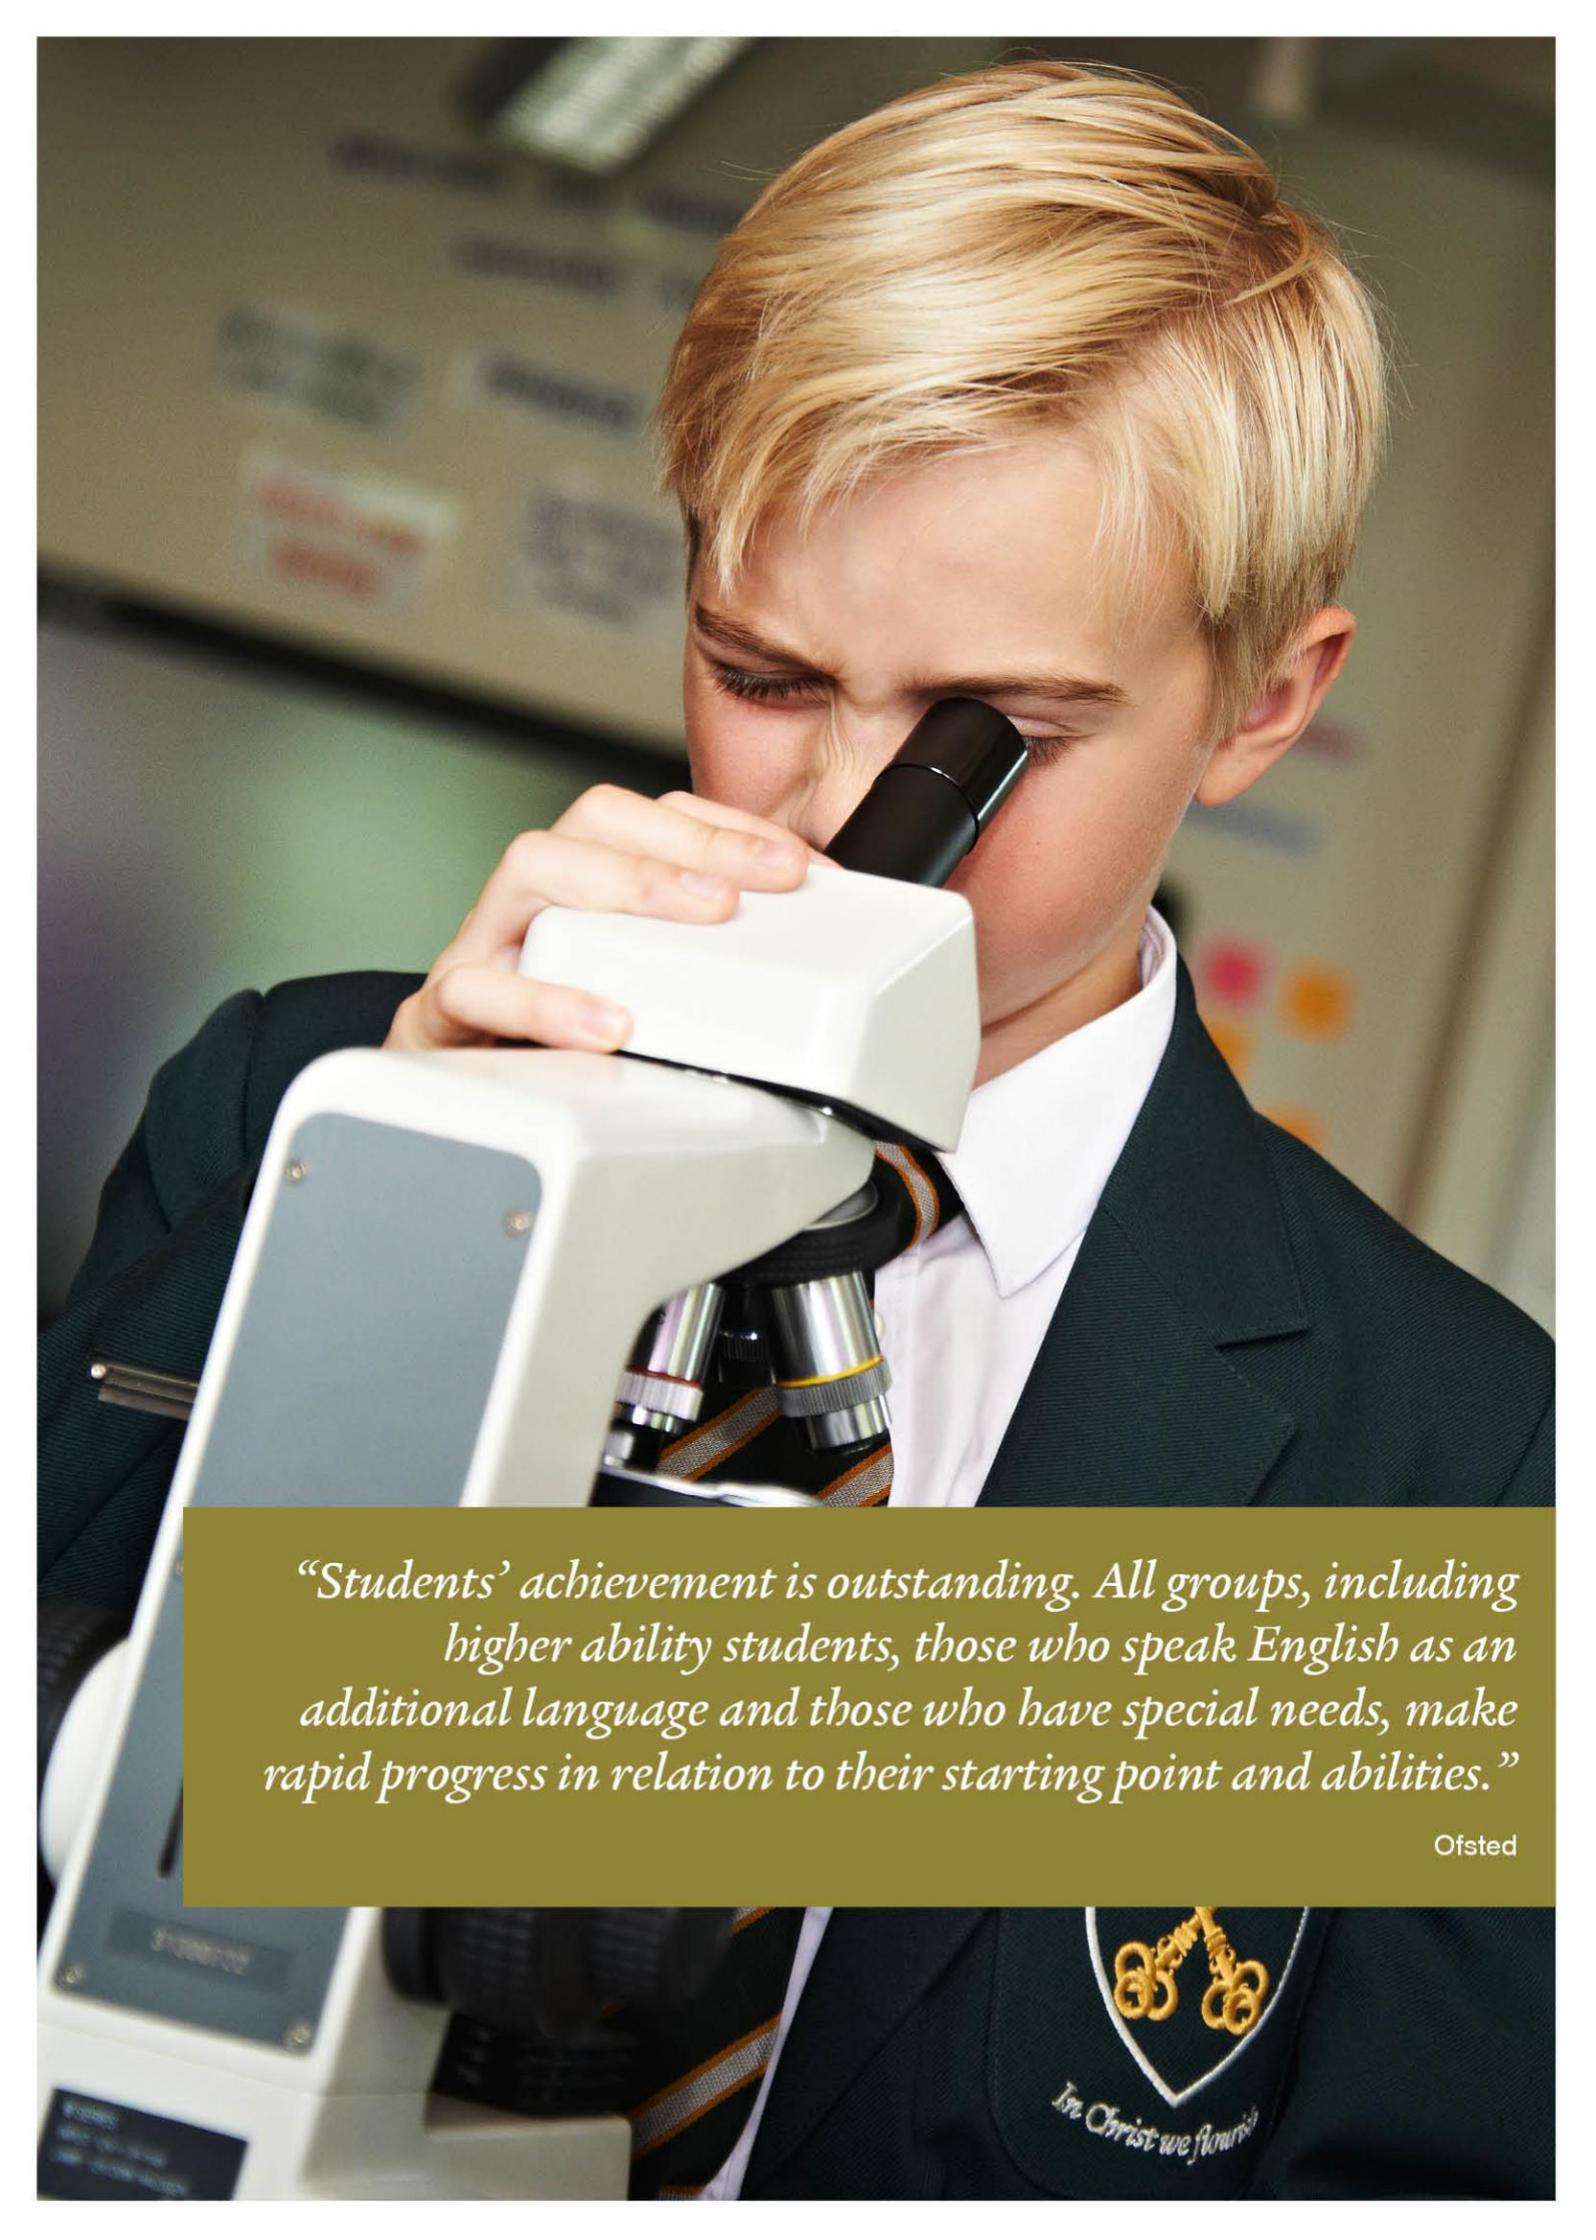

Design Technology

Design Technology is a new addition to the St Gregory's curriculum. It is currently taught to Year 7 only, however they (and all subsequent year groups joining St Gregory's) will have Design Technology up to Year 9, with the potential for it to grow into KS4 and 5. The subject encourages students to respond to briefs whilst experimenting with various materials, techniques, and processes. Through a variety of creative and practical activities, students are taught the knowledge, understanding and skills needed to engage in the process of designing, making and reviewing.

Food Preparation and Nutrition

Food Preparation and Nutrition is offered to all students in KS3, covering practical cookery skills, nutrition, health and sustainability. Students can choose GCSE Food at KS4 which is based on a food science and nutrition course. All classes are mixed ability and have a good balance of practical and theory-based lessons. In the sixth form we currently complete enrichment cooking lessons on a rotation enabling independent cooking skills for all Year 12 students in which 50% is a controlled assessment and the other 50% is a written exam paper.

Mrs J Bowden, Head of Art & Design

“Students’ achievement is outstanding. All groups, including higher ability students, those who speak English as an additional language and those who have special needs, make rapid progress in relation to their starting point and abilities.”

Student Creed

“ At St. Greg’s, we are a family.
We walk together in the footsteps of Jesus.
We are all equal in the sight of God
So everybody deserves dignity and respect.
We believe that we are all blessed with gifts
And called by God
So let’s do something special,
Let’s work together for a better future.

In Christ we Flourish.”
