

Dear Students, Parents, Carers and Governors

Dates for Your Diary

"Do not have any anxiety about the future. Leave everything in God's hands for he will take care of you." This quote from Saint John Baptiste de la Salle is a pertinent reminder of the power of God's love, especially as Anti-Bullying Week comes to a close and also as we have experienced links with our Lasallian district this week.

On Monday we were delighted to welcome the Director of Formation of Lasallian schools, Mr Pat Walsh, and Br Tom Walsh, a Lasallian brother, to St Gregory's. We were the first stop on their tour of Lasallian schools and associate schools in the UK and they were absolutely delighted by all aspects of our community. At the end of their morning touring the school, meeting students and teachers, observing lessons and spending time in the staffroom, they sat down and said, "Mrs George, you have a fabulous school!" Of course, I was incredibly proud to hear this but I did explain, "It is not my school; it's **our** school", and it truly is. We all make up our special community and we know that everyone lives out our core principles and Lasallian principles daily. However, it is also wonderful to hear this being endorsed by external visitors, so congratulations to all for showcasing what a St Gregory's education is like - academically, personally and spiritually.

Form groups have taken on leadership roles this week by delivering an important Anti-Bullying assembly with the theme: Make Some Noise About Bullying. We are a 'telling school' and it is important for students to know that there are always trusted adults here to listen if things are not right or if bullying occurs. The other key message is that every week is Anti-Bullying Week at St Gregory's; we have high expectations when it comes to building relationships, treating everyone with respect and dignity and always resorting to kindness and compassion, rather than meanness or violence.

As part of the PSHEE curriculum, we were delighted to host a former police officer who spoke to Years 8-13 about child exploitation, drugs and county lines, keeping safe online and where to get help if needed. This was an important session so that all of our young people know how to remain safe and how to access support. Thank you to Mr Boutland Smith for organising this session and to Mr Foley for his expertise and insight into keeping safe online.

organisation 'Elevate' who got them reflecting on revision and study habits just ahead of their mock exams. Thanks to Mr Boutland Smith, Mr Leaman and Miss Hollywood for facilitating this session and to Year 11 for being so receptive to the ideas presented to them.

House Rugby and Netball competitions went ahead in some form this week, although modified at times due to inclement weather, and congratulations to all who competed for their House and to the PE team for providing opportunities for a bit of healthy competition. Results: Year 10 - Tug of War: 1st Romero, 2nd Bakhita, 3rd Francis, 4th Stein. Year 9 Netball: 1st Romero, 2nd Stein, 3rd Francis and 4th Bakhita. Year 9 Rugby: 1st Stein, 2nd Francis, 3rd Bakhita and 4th Romero. Year 8 Netball: 1st Francis, 2nd Romero, Joint 3rd Bakhita and Stein. Year 8 Rugby: 1st Bakhita, Joint 2nd Romero and Stein, 3rd Francis. Year 7 will have their opportunity to shine next week and we wish them all luck. The House point totals are exciting with some changes at the top so keep working hard and finding grace in all you do so that you are rewarded well and make a difference to your House!

I will leave you with another quote from Saint John de la Salle as we head into the weekend: *'Hold prayer in high esteem. It is the foundation of all the virtues, and the source of all grace needed to sanctify ourselves and to discharge the duties of our employment.'*

Kintbury Retreats 23/24

We are delighted to share the details of our residential retreat programme for Kintbury this year, which includes opportunities for Year 8, 9 and 10. St Cassian's, Kintbury is a centre owned by the De La Salle community, of which we are an associate member school, and is run by a group of young volunteers dedicated to bringing fun, faith and friendship to fellow young people in a relaxed and engaging way. Retreats are designed to give people an opportunity to take a step back from everyday life, including all its pressures and routines, and instead take part in a fun packed programme of activities, games, prayer and reflection. Kintbury is a huge manor house set in the middle of the beautiful Berkshire countryside, an ideal location for both peace and space, whilst offering outdoor activities such as archery, rope courses, traversing wall and much more.

Year 8: Friday 1 – Sunday 3 March 2024

Year 9: Thursday 9 – Sunday 12 May 2024

Year 10: Thursday 7 – Sunday 10 March 2024

Letters have been emailed home with full details of how to apply for a place. The Year 8 retreat is a shorter experience with just our school in attendance and costs £110, whereas the Year 9 & 10 retreats are the full Kintbury experience alongside other schools and over four days. These

RSE Topics

This term in RE Year groups 7-12 will be covering RSE topics. We continue to use the TEN:TEN programme which is fully in line with the Church's teaching and is endorsed by both the DFES and the CES. The lessons we are using in Term 2 are the Cinema in Education workshops:

- Year 7 - Who Am I?
- Year 8 - Created and Chosen
- Year 9 - The Search for Love
- Year 10 - Authentic Freedom
- Year 11 - Truth and Lies
- Year 12 - Self worth

One of the most distinctive features of a Catholic Relationships and Health Education programme is it emphasising the vital role that parents and carers have in nurturing their children on these matters. We therefore have subscribed to the parent portal so you can be involved in the material.

The login details are as follows:

The Annual General Meeting (AGM) is a yearly meeting for all members of the association, where elections take place and the year's events are reported on. **The good news is, every parent and carer is automatically a member of the PTFA!** It's an opportunity for the committee to show that it's accountable for the decisions taken and that the committee members have acted in the best interests of the association, and also to discuss the PTFA events for the upcoming year.

We currently have a number of committee vacancies, including Chair, Treasurer and Secretary, which we hope to fill at this meeting. If you are interested in putting yourself forward for any of these roles please email the Head's PA at gormleys@st-gregorys.org.uk. We will also consider sharing roles.

Further details of these roles can be found on the school website at [PTFA – Saint Gregory's Bath \(st-gregorys.org.uk\)](https://st-gregorys.org.uk).

We're all full time working parents and carers so try to keep the commitment of time and energy to a minimum, but the more active committee members we have, the easier it becomes for us all! We aim to hold our meetings once a term, either on Zoom or in person, to discuss forthcoming events at the school and how we can support, share ideas for fundraising or simply to welcome new members! Everyone is welcome, all we ask is that you let us know if you intend to join us so that we can make sure we have enough cups, saucers or wine glasses to go around!

PLEASE COMPLETE THIS GOOGLE FORM [by Friday 24 November](https://forms.gle/na4f9Zmy7SMsesuS6) to let us know whether or not you are able to attend: <https://forms.gle/na4f9Zmy7SMsesuS6>

WWI History Workshop:

On Friday 10 November, 36 students from Years 8, 9 and 10 signed up to attend a two hour workshop session run by the National Archives. The session, called 'All Pals Together', was about the lives of soldiers in WW1. Students spent an hour looking at primary sources provided by the NA of life for British soldiers during the First World War and wrote a list of questions about what it was like to live and fight in the trenches

They then experienced a Zoom call with a member of a Pals Battalion, Private Henry Fairhurst (played by a professional actor), as he talked about his experience of life in the trenches and answered all the students' questions in a pertinent and thought provoking way. Was it really all mud and blood in the trenches, or did Private Fairhurst see some benefits in what he was doing?

The students really enjoyed the session and found it really useful to see the war from this new perspective. I would like to thank National Archives for the opportunity for our students and Mr Nordberg and Miss Thomas Stone for facilitating this session.

Literacy Update – The ‘Reading Challenge’

Dear families of St Gregory’s, following on from the introduction of the literacy corners around school, I would now like to introduce the second phase of bringing literacy into the rewards programme. As a whole school we are going to introduce a ‘reading challenge’ to help encourage students to read for fun.

What’s involved?

The challenge will last for the duration of the year and involves students recording the books that they read on a reading tracker. To help avoid any short cuts, students are required to read age appropriate books, write a brief synopsis of why they enjoyed each book and get a parent or carer to sign that they have indeed read it.

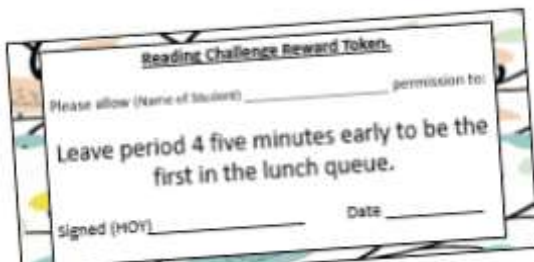

Once completed the reading tracker should be submitted to the Head of Year who will issue an instant reward token. Students can choose from:

Reward tokens include:

- 1) Leave 5 minutes early to be first in the lunch queue.
- 2) Skip any one homework (so long as it is not an assessment)
- 3) Receive 10 additional literacy points
- 4) Receive one additional raffle entry for the end of year prize.

All of these rewards tokens will be signed and dated by the Head of Year and only used once.

The reading challenge has 3 levels with varying rewards:

Level 1 (Bronze) – 1 book read, 1 reward token issued, 1 entry into the final raffle.

Level 2 (Silver) – 5 books read, 1 reward token issued, 2 entries into the final raffle. Silver certificate sent home to parents, silver ‘Top Reader’ badge issued.

Level 3 (Gold) – 10 books read, 1 reward token issued, 3 entries into the final raffle. Gold certificate sent home to parents, Gold ‘Top Reader’ badge issued.

Wider recognition

The students who receive Silver and Gold level will also be proudly displayed on a ‘Headteacher’s Wall of fame’ to celebrate their reading success.

Finally at the end of term, all students who have achieved a minimum of one entry will be part of the end of year raffle. If students have received silver or gold levels they will have more than one entry ticket as will any student who opted for reward token 4 (1 additional raffle entry).

One student will be randomly picked using the spinning wheel tool and receive a literacy/oracy based prize. This year’s 1st place will be a £30 contribution to a theatre visit.

The Parent’s role

The reading challenge will be more successful with parental support as well. Please encourage your child to read as often as possible. Any suitable books or genres are fine so long as they are age appropriate. Please ask your child questions about what they are reading, why they are enjoying it and finally sign their reading tracker to prove they have finished the book. If you or your child are struggling to find a new book to read why not either look through our subject reading lists or come along to the book swap library in school which will be opening soon

Finance Office Support

The Finance department based in Alexander House, Bristol, are looking to recruit a team administrator to strengthen its central Finance Office function.

The role is part-time, 12 hours across three days. Attention to detail, flexible can-do attitude, and the ability to be well organised are important. Experience in a similar role and knowledge of Microsoft Outlook, Word and Excel would be highly beneficial. For further details please go to

www.cliftondiocese.com/Diocese/WorkingForUs where you will find the Job Description and application form. All applications to be sent to Simon Hussey, Head of Finance by 24 November 2023

Reporting Absences

Feature on the Class Charts (parent) App

There is an option to notify the school if your child is going to be absent. The absence telephone line will still be available, however we would prefer you to use this app if possible. This should not only be easier for you, but will allow the school to be more efficient when recording student absences. Once we have acknowledged the absence, you will receive a confirmation email to the account that is registered in the app.

Absences

If your school has decided to allow parents to report absences, you will see the **Absences** tab when viewing pupils from that school.

Selecting this tab will display a list of **absences that you have reported**, once you have reported them. This includes **when** the absence took place, the **reason** for the absence and who **acknowledged** your absence report.

To report an absence, click on the **Report new absence** button.

Next, enter the details of the reported absence into the **form** provided.

You can also include up to 5 **files** in your absence report as **supporting evidence**. To do this, click on the **Attach supporting evidence** button and select the files of your choice.

Click on the **Submit** button to send your pupil's absence report to their school. The absence can be **edited** and **deleted** until it has been **acknowledged** by a teacher.

Date of absence

Inspire Lunchtime Lecture Programme

Our Inspire Lecture Programme continues this term. The programme is open to all students and will run during one lunchtime each week. Students can bring their lunch along to the session and spend their break listening to a speaker talk about an area of interest, and then have an opportunity to discuss and ask questions about it. Students are welcome to attend any of the sessions which are open to their year group; places are on a first-come, first-served basis. Over-subscribed sessions will be repeated later in the year if necessary. Students who are part of our Inspire cohort are expected to attend at least three sessions across the year.

Here is the timetable for this term's sessions:
