

Dear Students, Parents, Carers and Governors

Reconciliation is vital in our world and yet for humans it can sometimes be the hardest thing to do - saying sorry. It is so important to learn to say sorry when we have got something wrong; it is not a sign of weakness but actually an incredible source of power. Apologising for our wrongs can liberate us and set us free from resentments, grudges and bitterness.

During Lent, we take time to explore the theme of reconciliation and place it at the heart of all that we do as a Catholic community. Not only must we learn to say sorry with grace but we must also have hearts open to forgiveness so that we learn to grow in the footsteps of Jesus.

It has been a busy week at St Gregory's and our Year 10 Dance students were treated to a dance workshop from NYDC where they were excellent ambassadors for the discipline. Some of our Year 8 students are off to Kintbury for their residential retreat later today and we wish them a weekend full of fun, personal and spiritual development opportunities and the chance to forge new friendships. Our amazing staff take great pride in the work their students produce and I was invited in to see some excellent Year 10 textile work this week as well as an incredible range of talented photographers' work from our Year 11 and Year 13 cohort. It is delightful to see our students take such pride in their achievements too and talk so eloquently about their learning.

Last week I let you know that we had interviewed some of our Year 12 students who were applying for positions of responsibility. I am delighted to announce, after much deliberation, that we have selected the following students to be our new Student Leadership Team (SLT):

Swap Shop

Our school Swap Shop is looking very empty at the moment. If any of your children would like to make the most of it, they can donate an item and take something away in exchange. All we ask is that the items donated in exchange are in good condition. Things such as games no longer used, gifts (that weren't really "my type of thing"), books, etc, are all great to add to our Swap Shop.

Third Sunday of Lent

As we approach the third Sunday of Lent we look to the wisdom of Dr Scott Hahn to help us reflect on the importance of this weekend's scripture:

Jesus does not come to destroy the temple, but to fulfill it (Matthew 5:17)—to reveal its true purpose in God's saving plan. He is the Lord the prophets said would come—to purify the temple, banish the merchants, and make it a house of prayer for all peoples (Zechariah 14:21; Malachi 3:1–5; Isaiah

56:7). The God who made the heavens and the earth, who brought Israel out of slavery, does not dwell in sanctuaries made by human hands (Acts 7:48; 2 Samuel 7:5). Nor does He need offerings of oxen, sheep, or doves (Psalm 50:7–13). Notice in today's First Reading that God did not originally command animal sacrifices—only that Israel heed His commandments (Jeremiah 7:21–23; Amos 5:25). His law was a gift of divine wisdom, as we sing in today's Psalm. It was a law of love (Matthew 22:36–40), perfectly expressed in Christ's self-offering on the Cross (John 15:13).

This is the 'sign' Jesus offers in the Gospel today—the sign that caused Jewish leaders to stumble, as Paul tells us in the Epistle.

Jesus' body—destroyed on the Cross and raised up three days later—is the new and true sanctuary. From the temple of His body, rivers of living water flow, the Spirit of grace that makes each of us a temple (1 Corinthians 3:16) and together builds us into a dwelling place of God (Ephesians 2:22). In the Eucharist we participate in His offering of His body and blood. This is the worship in Spirit and in truth that the Father desires (John 4:23–24). We are to offer praise as our sacrifice (see Psalm 50:14, 23). This means imitating Christ—offering our bodies—all our intentions and actions in every circumstance, for the love of God and the love of others (Hebrews 10:5–7; Romans 12:1; 1 Peter 2:5).

World Book Day

The English department are excited to announce that we will be celebrating World Book Day together as a school on Thursday 7 March. We would love for as many of you as possible to join the English department and come in fancy dress as a character from a book! There will be prizes given out to the best dressed students in a competition judged by the Headteacher. As in previous years, we will also be running a cake sale with all proceeds going to charity. This year we are supporting a really worthy cause in Save the Children's 'Child Education' appeal. Their appeal funds education for every child because "Millions of children never see inside a classroom. Others drop out due to overcrowding, conflict or simply because they are a girl and they are forced to. A lot can get in the way of education." We are kindly asking Year 8 to support us in our fundraising by bringing in a sweet treat that we could sell in the bake sale. Every student who donates cakes will be rewarded with House Points! Students are reminded that they are only permitted to come in dressed as a character from a book or they should be in **full school uniform**. Usual sanctions will apply for uniform violations. Students should aim to bring in the book which features their chosen character. Please help us to make this a memorable occasion! We can't wait to see what you all come dressed up as.

Mrs Gemma Duffy, Teacher of English and Key Stage 3 Co-ordinator of English

Football Success!

The Year 8 boys got off to an excellent start to the season on Tuesday night against Oldfield school.

A strong Year 8 team led by Captain Joey B got off to a strong start and went 2-0 up in the first ten minutes. A header from Chin put St Greg's 1-0 up, closely followed by a second scored by Will following an excellent cross from Nathan. However, Oldfield came back strong and scored two goals on the counter to level it up. Then St Greg's came back strong and with goals either side of half time we wrapped up a 4-2 victory. An individual effort by Oisín followed by a rebounded shot for Will's second following a good save saw St Greg's take the sun!

Excellent effort and conduct all round!

Reporting Absences

Feature on the Class Charts (parent) App

Please use the Class Charts app to notify the school if your child is going to be absent. The absence telephone line is still available, however we would prefer you to use this app if possible. This should not only be easier for you, but will allow the school to be more efficient when recording student absences. Once we have acknowledged the absence, you will receive a confirmation email to the account that is registered in the app.

You can also report planned absences such as medical appointments.

Absences

If your school has decided to allow parents to report absences, you will see the **Absences** tab when viewing pupils from that school.

Selecting this tab will display a list of **absences that you have reported**, once you have reported them. This includes **when the absence took place**, the **reason for the absence** and who **acknowledged your absence report**.

To report an absence, click on the **Report new absence** button.

Next, enter the details of the reported absence into the **form** provided.

You can also include up to **5 files** in your absence report as **supporting evidence**. To do this, click on the **Attach supporting evidence** button and select the files of your choice.

Click on the **Submit** button to send your pupil's absence report to their school. The absence can be **edited** and **deleted** until it has been **acknowledged** by a teacher.

Date of absence: 26/01/2021

Reason for absence: Terry missed the bus today.

Please report your child's absences as soon as possible

The practical this week is chromatography. This is a technique where inks/dyes are separated using filter paper and water. There is a clip below to show you how to do it. We used ours in science club to give some trolls some new hair styles.

THE GRANDFRIENDS SUNDAY SOCIALS

GRANDFRIENDS THE COMPANY OF ELDERS was set up in Bath in 2022 to enrich our community by creating new connections between our elders and younger people. We have been working in partnership with a local primary school where our GrandFriend volunteers give their time to pupils during lunch time visits and library sessions. See Facebook for more on these fantastic programmes.

The new **SUNDAY SOCIALS** programme is intended to extend the friendship of our GrandFriends to even more younger people from Bath and surrounding areas. We especially encourage guests to join us who may not otherwise have the benefit of as much relaxed and rewarding time with elders as they would like.

-  We warmly invite students, families, children and adults of all ages to come and enjoy the company of the GrandFriends at this informal tea party. Everyone is welcome, but guests aged 15 or under must be accompanied by an adult.
-  Our GrandFriends have been DBS checked and have completed our training which included safeguarding. We respect our GrandFriends and value them as community assets who generously give their time. We ask our guests to do the same.
